

THE DIRT!

SOILBIOTICS COMPANY E-NEWSLETTER

DECEMBER 2018

And to All...A Good Night

We'd like to take this opportunity to wish all of our customers and business partners a very Merry Christmas and a Happy New Year. During the holiday season we take time to reflect on the challenges and successes of 2018 and the opportunities coming in 2019. Thank you all!

Spring Planning

We are very happy to let everyone know that our new facility is up and running. At this time the facility is dedicated to our new SoilBiotics **OS 46** a ready-to-use fertilizer with a unique formulation of high-quality 46-0-0 urea and SoilBiotics **4 – Ultra Boost**.

OS 46 works in two primary ways. It increases beneficial bacteria populations by reducing the hydrolysis rate of urea to ammonia in the soil. Plus, it buffers the change in composition, quantity and quality of total bacteria normally caused by the application of urea to the soil. Secondly, **OS 46** carries two ion charges, both positive and negative, allowing it to stabilize multiple forms of nitrogen. Carbon dioxide is neutralized, and carbonic acids act on soil minerals to release plant nutrients. Soil enzymes, (complex proteins) are stabilized by the ionic bonds.

OS 46 is formulated for easy broadcast spreading and the orange colorant gives operators a quick and easy confirmation of application area.

Upcoming Shows

Come talk to the SoilBiotics team at these upcoming shows:

- The Illinois Fertilizer & Chemical Association annual convention at the Peoria Civic Center, Peoria, IL. Trade Show dates are January 29th and 30th, 2019.
- The Midwest Ag Expo: January 30th and 31st, 2019 at the Gordyville USA Expo Center, Gifford, IL.

Holiday Hours

To allow our staff and their families to enjoy the holidays, the SoilBiotics offices will be closed all-day Monday and Tuesday, December 24th and 25th. Office hours for the rest of the week will be 9:00 a.m.-1:00 p.m. We will also be closed Monday and Tuesday, December 31st and January 1st.

Don't forget to call the SoilBiotics office and ask about the December 2018 and January 2019 Prepay Programs!
