Summary		
Treatment ID	Soil Type	Yield (Bu/A)
1	ALL	59.8
2	ALL	59.1
3	ALL	58.5
4	ALL	59.4

Treatment 1: Control

Treatment 2: **Organic**  **Soil Boost EA** at 10 pounds per acre

Treatment 3: **Organic**  **Growth Boost** at 1 gallon per acre

Treatment 4: **Organic**  **Growth Boost** at 1 gallon per acre and **Organic**  **Soil Boost EA** at 10 pounds per acre

- We had other starter blends we were testing in this field as well, and responses were similar.
- This field was hit extremely hard with SDS. It was almost completely infested across the field and we have no way of concluding whether this had any effect on the plot.

Summary: Some yield bump with infestation of sudden death syndrome.
