

# THE DIRT!

SOILBIOTICS COMPANY E-NEWSLETTER

SEPTEMBER 2023

## Time for the SOIL BOOST Fall Discount Program!

It's that time of the year again! Take advantage of our annual discount program for one of our most popular products, Soil Boost. This high-quality Humic product is sold in rough, granular form for broadcast application post-harvest. Soil Boost increases nutrient availability by solubilizing soil-bound nutrients, sequestering excess soil nutrients, and naturally rebalancing the soil. As a long-term part of your soil health and improvement program, it improves soil crumbling and aeration, and improves water retention.

**Starting October 1 and running through the end of November 2023, we are offering a special Fall discount of 5% off any order for Soil Boost, regardless of order size. No other discounts apply to this exclusive offer. Soil Boost is available in 50 lb. bags or 1-ton bulk bags.**

So, mark your calendars or set your digital reminder for October 1st and don't miss this opportunity!

## Crop Residue is Money in the Bank!

SoilBiotics **DgradeR** and **DgradeR+** crop residue digester products are a great way to improve soil Organic Matter content and reduce input costs by conserving what you already have! Keep more of your money in the bank by reducing the need for added nutrients next spring. Improve your bottom line before you even put the first seed in the ground! We're excited about the results our growers are experiencing with these products. **Give us a call!**

## Organic 1r – Seed Treatment for Winter Wheat

Double cropping continues to be of interest to many growers. If you're thinking of that type of program, SoilBiotics **Organic 1r - Seed Treatment** can be applied to organic or conventional winter wheat seed for increased germination and better stands.

## B2R Podcast

A reminder that SoilBiotics is one of the sponsors of the **Back to The Roots (B2R)** monthly podcast for organic farmers. Listen in on some fascinating interviews featured in this farmer-to-farmer podcast. You can pick up a lot of tips from fellow farmers, whether you're organic or conventional. Take the time to visit their website and listen to the archived podcasts on a variety of subjects. <http://www.b2rpodcast.com/index.html>

## Construction Reminder

**OFFICES:** Construction is moving right along as we build the our future new offices. We hope to be able to move in next spring. We are currently ensconced in temporary offices with limited access and do not anticipate being able to allow customer visits or meetings at this location unless prior arrangements are made. **Our BUSINESS PHONE number is the same – 815-929-1752**

**SHIPPING/PRODUCT PICK-UPS:** Construction will not affect our warehouse and receiving facilities, which will remain open for all shipping and product pick-ups at the **2902 W. State Route 17, Kankakee IL 60901** address. Please call the business phone and work with our Order Department to arrange for any shipping or product pick-up needs.

**MAIL or PARCELS:** If you need to **mail or parcel ship** anything to SoilBiotics please send it to: SoilBiotics, c/o Judy Zehr, 18500 West 3000 South Road, Reddick, IL 60961.
