LIMITED WARRANTY AND LIMITATIONS OF LIABILITY AND REMEDIES

Supplier warrants that this product, as delivered, conforms to the chemical description on the label. Supplier states that the information is reasonable for the purposes stated on the label when used and stored in strict accordance with the directions. Supplier is not responsible for any lack of performance of the product or injury to crop directly or indirectly caused by failure to use the product in accordance with the directions, adverse weather conditions, or any other reason not within Supplier's control. Supplier makes no other warranty or representation, whether express or implied by law, course of dealing, course of performance, usage of trade, or otherwise, including no warranty of merchantability or fitness for any particular purpose. Supplier disclaims any liability for compensatory or other damages arising out of any use contrary to the label directions, including any consequential, special, or indirect damages resulting from use of this product. Supplier's sole liability is limited to a refund of the purchase price.

INSTRUCTIONS FOR USE:

- Compatible with most organic products. Physical compatibility test is recommended.
- Should be used within the growing season for which it was purchased.
- Can be applied to most soils and crops.
- Density is 8.97 lbs/gal at 68°F

Density is 8.97 pounds per gallon at 68°F.

See Product Data Sheet or SDS for storage guidelines.

RECOMMENDED APPLICATION RATE:

Apply in furrow, 2x2, foliar or broadcast spray at 1 pint to 2 gallons per acre. For agronomic application rates suitable for your crop, geographic area and soil type, consult a trained specialist and apply as needed based on a soil test, tissue analysis and/or according to recommendations in your SoilBiotics Crop Management Plan.

PRECAUTIONARY STATEMENTS:

Keep out of reach of children. Do not eat, drink, or smoke while using this product. Wash hands and face thoroughly after handling. Wear protective gloves/protective clothing/eye protection/face protection. If in eyes, rinse cautiously with water for several minutes, remove contact lenses and continue rinsing. Take off contaminated clothing and wash before reuse.
